The screenshot displays the SeedCodeCalendar application. The main window title is "SeedCodeCalendar". The interface includes a top toolbar with icons for "Show All", "New Record", "Delete Record", "Find", "Sort", "Manage", "New Layout / Report", "Debugger", and "Data Viewer". Below the toolbar, there are navigation options for "Layout" (Calendar), "View As" (list view), and "Preview".

The main content area shows a calendar for "Thursday, March 11, 2010". The calendar is organized into columns for different resources: "Example A", "Example B", "Dr. Smith", "Dr. Bloom", "Another", "Some Room", and "Conference". The time slots range from 8:00 am to 4:45 pm. Events are color-coded and include details such as "Bethson, Dale ...", "Jermaine, (125) 487-4888", "Rankle, (905) 789-6600", "Hellers, (860) 537-1729", "Arnato, 020 6270132", and "Roberts, 920.834.4621".

On the left side, there is a sidebar with a "YOUR logo" and a "Select Day" button. Below this, there are three monthly calendars for January 2010, February 2010, and March 2010. The March 2010 calendar has the 11th highlighted. At the bottom of the sidebar, there is a note: "> shift-click anywhere in the calendar to make a new event." and a "more shortcuts" link.

The bottom status bar shows "100" and a "Browse" button. A "powered by SEEDcode" logo is visible in the bottom right corner of the calendar area.
